#### All Natural Tea Promotes Regularity & Colon Health

The effects of processed foods, refined sugars, super-sized meals, pollutants and unhealthy habits can have a profound affect on your body's systems and health. The build up of unhealthy substances can lead to poor digestion, constipation, toxic colon build-up, weight gain and low energy. These symptoms are more than just an inconvenience—they can often be indicative of long-term health challenges. Waiora's **Natural Cleanse Tea**, specially blended with all natural ingredients, may help promote regularity and support healthy digestive and urinary tract function.\*

Throughout time, people have struggled to find a harmonious balance in their organs, systems and health. Natural ingredients have helped millions to achieve regularity, safely and naturally. In fact, *Senna Leaf*, *Dandelion Root* and *Lemongrass* have been used to stimulate the colon, relieve water retention and promote healthy digestion. We've combined these powerful ingredients to help bring you a healthy balance to your digestive tract with every simmering cupful.\*

#### An Expert's Advice

"We shower, brush our teeth and wash our hair on a daily basis, but we tend to ignore cleansing our insides. Believe it or not, our insides, especially the colon which functions as the "sewer system" of our body, also requires regular cleansing.
